- Under DDHPY, sanctions already issued by Government of India for Rs. 23.73 crores would inturn have attracted investment from State Governments and financial institutions.

As regards Foreign Direct Investments, an amount of Rs. 23.73 crores has been approved by the Foreign Investment Promotion Board since November, 2000 for the textile sector (including dyed and printed).

Share of Renewable Energy

*570. SHRI P.K. MAHESHWARI: Will the Minister of NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

(a) whether Government have formulated any plan to increase the share of renewable energy from 3 per cent to 20 per cent;

(b) if so, the details thereof;

(c) whether Government propose to electrify around 18,000 villages in the country by using non-conventional energy;

(d) if so, the details thereof, State-wise; and

(e) by when, these villages are likely to be electrified?

THE MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI M. KANNAPPAN): (a) and (b) The Government envisions a major role for non-conventional energy sources in the energy sector in the coming decades. For this, the Ministry of Non-Conventional Energy Sources has formulated a Draft Renewable Energy Policy Statement. Among the goals envisaged in the draft Policy Statement for 2012 is to increase the share of non-conventional energy in the additional installed capacity to 10%, or 10,000 MW, in the next 12 years.

(c) to (e) Out of nearly 80,000 unelectrified villages in the country; about 18,000 villages are estimated to be in remote and difficult areas which are not feasible to be electrified by conventional

grid extension. Government proposes to electrify these villages through decentralized generation using non-conventional energy sources by the year 2012. The State-wise break-up and other details have not yet been worked out.

Review of self-employment programmes

*571. SHRI B.J. PANDA: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether Government have made any review of the self-employment programmes being formulated and launched in various States during Eighth and Ninth Plans especially in Orissa;

(b) if so, the details thereof during the last three years and achievement thereof; and

(c) what are the agencies/Government Departments monitoring the programmes?

THE MINISTER OF RURAL DEVELOPMENT (SHRI M. VENKAIAH NAIDU): (a) to (c) The (erstwhile) self-employment Programmes *viz.* Integrated Rural Development Programme (launched in October, 1980), Training of Rural Youth for Self-employment Programme (launched in August, 1979), Development of Women & Children in Rural Areas (launched in 1982-83), Supply of Improved Tool-kits to Rural Artisans (launched in July, 1992) and the Ganga Kalyan Yojana (launched in February, 1997), which were being implemented in rural areas of the country, including Orissa, were reviewed by a Committee constituted by the Planning Commission which submitted its Report in April, 1997 and, *inter alia,* made the following recommendations in respect of the self-employment programmes:

- IRDP would, as the single self-employment programme, be targetted to families living Below the Poverty Line in rural areas.
- Sharing of funding between the Centre and the States should be in the ratio of 80:20 or 75:25.
